TANEXPO 2010

TANEXPO
INTERNATIONAL FUNERAL
AND CEMETERY EXHIBITION

View of TAN EXPO

Granite Monuments Display in TAN EXPO

TANEXPO reconfirms Bologna as worldwide capital of the funeral and cemetery industry from 26th to the 28th March 2010. This edition will cover halls 16, 21 and 22 at Bologna fairgrounds over 23,000 square meters with a new layout to expedite exhibitors' work during stand-up and facilitate visitors' flow: over 16,000 professionals expected from every corner of the world that always overcrowd the aisles of TANEXPO.

TANEXPO is the international word for funeral business. The international feel of the event, is proven by the great attendance of foreign visitors from over 50 countries, 20% of the total, and by the usual high number of the most important foreign manufacturers that choose TANEXPO to present the best of their production.

The event will, as always, present exclusive ideas and production innovation for the funeral and cemetery sector on preview at TANEXPO: caskets, accessories, furnishings, cemetery art, marble, granite, sculptures, photo-ceramics, cremation plants, funeral cars and much more.

Research and Design At TANEXPO innovation is explored in-depth in the Research & Design area. By offering new design concepts, making exhibitions in cooperation with important organizations and acting active in the debate and exchange with the professionals through workshop and meetings,

TANEXPO has become a reference point for all funeral business players.

The 2010 edition will also bring together important Arts and Architectural Academies, leading designers and manufacturers to develop new ideas for tombstones and funerary chapels. At TANEXPO a large area will be set up to show new trends and different styles in the use of stones materials, especially highlighting craftsmanship in marble work.

Sponsorship The exhibition is held under the aegis of the two Italian Funeral Federations, Feniof and Federcofit, in addition to Assocofani, the Italian Association of Funeral Casket Manufacturers, Tanexport, Italian Consortium of Funeral and Cemetery Item Manufacturers, Iafe, International Association of Organizers of Funeral Exhibitions, and Asce, Association of Significant Cemeteries in Europe. Especially prestigious is the patronage of the most important worldwide funeral organization Fiatlfta, International Federation of Thanatologists Associations. The cooperation with these important organizations underline TANEXPO role as the leading reference point for the entire sector.

TANEXPO 2010 will be once again an exceptional business platform where leading manufacturers meets with high targeted professionals that always chose the Italian rendezvous to find quality products and services.
