

# Fantastico!

We've just got back from, what was to me, the best TanExpo ever. It was busy (5% up on last year), exciting and vibrant. TanExpo isn't just an Italian show, it's a truly international exhibition bringing in suppliers and visitors from all over Europe and beyond. We will be putting up much more information and pictures over the next few days and there will be a full report in the May edition of Funeral Director Monthly. The organisers deserve massive credit for a superbly run show.
