BOOTHS HANDOVER: MARCH 25, 2020 FROM 8 AM

The measurements given, the colors and the images are only indicative and may not reflect the assigned stand. The panels can not be drilled if not in the heads and edges with small nails. Any damage will be charged to the exhibitor (to hang, we recommend the use of chains) Please note that any application of expansion plugs and stickers to goods and panels is prohibited. Any need can be agreed with the organizing secretariat and the stand builder. All liability resulting from unauthorized tampering of the structures, not authorized decorations damaging rented goods, will be charged to the customer at final balance. Any requests for changes made after the date of confirmation of the booth will be evaluated and quoted separately. We will not accept requests for structural change in the three days prior to the show beginning. For more details please do contact the Organizing Secretariat.
