

TANEXPO
INTERNATIONAL FUNERAL AND CEMETERY EXHIBITION
BOLOGNA 25-26-27 FEBBRAIO 2021

25 February 2020

THE EDITION OF TANEXPO, INTERNATIONAL FUNERAL AND CEMETERY EXHIBITION, HAS BEEN POSTPONED.

The exhibition will take place in Bologna from 25 to 27 February 2021.

TANEXPO show management met today with BolognaFiere technical board to define the necessary strategies to deal with the serious situation resulting from the spread of COVID-19 coronavirus.

Following the current regulations issued by the Regional Authorities, according to the Ministry of Health and due to the impossibility of predicting the duration of the current emergency, the organization officially announces that the 2020 edition of **TANEXPO has been postponed to 25-26-27 February 2021.**

The decision to postpone the event to the next year has been taken paying the utmost attention to the protection of the industry. In this way we hope to guarantee the maximum health and safety conditions for the professionals participating in the event and, at the same time, ensure a new successful edition, as we have been doing since thirty years.

We are aware that this change will require great efforts from everyone involved. Considering the complicated scenario, we wish to thank all the Exhibitors, Partners and Visitors for their understanding. Thanks to Your collaboration and participation we hope to create together and united the new edition in February 2021.
